Mobile App: Getting Started Guide

The MSL Mobile App is a useful tool for Evergreen shuttle riders.

➢ **Bus Tracking:** Allows riders to track shuttle arrival times and view bus location in real-time.

➢ **Notifications:** Riders can opt to be notified 5, 10, or 15 minutes prior to the bus' arrival.

Getting Started

1. Download the app by visiting your app store (iTunes or Google Play) and searching for "**MSL**" from the developer "bitHeads". Download the app to your smart phone.

2. Open the app and enter the unique run code (below) to begin tracking the shuttle bus servicing Evergreen from Broadview station.
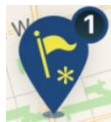

Shuttle from Broadview Subway to Evergreen Brick Works

CODE: EBW1

3. Find the real-time location of the shuttle by selecting the bus pin.

4. Check anticipated arrival time of the shuttle by selecting any of the visible location pins on the map.

5. Select 'Notify Me' to receive a push notification 5, 10, or 15 minutes prior to the shuttle's arrival to your location.

! **Requirements:** data services; location services, and push notifications.
