

Window Nature Bingo

Bring the Wild Inside

Time to be a nature detective – you can try this out from your window, balcony, backyard, or nature pocket near you!

Can you spot an entire line to get BINGO? If you've gotten BINGO, see if you can get 2 lines. Can you get an 'L' or an 'X'? What about a full card!?

We'd love to hear about what you spotted and how long it took to complete your bingo challenge! Send your sightings to school@evergreen.ca or tag *Evergreen* on social media. You might even see yours in the next newsletter!

Tips and Tricks:

Try going back to the same spot over a few days until you get them all!
