Featured Seasonal Packages

Tailored to each season, these curated activities showcase the beauty of our local environment, nurture team bonding, and celebrate the changing seasons.

Featured Seasonal Activities

Winter (December - March)

Step into the cozy spirit of winter. This package is designed to recharge and reconnect. Roast fireside snacks, build seasonal wreaths and unwind creating a priceless hand-built pottery piece.

Spring (April - June)

Embrace the season of sustainability. Designed to inspire environmental action and teamwork. Groups restore local ecosystems by removing invasive plant species, create seedballs to disperse native pollinators seeds and explore our rewilded 40-acre quarry with a seasoned guide.

Summer (July - August)

Relive the magic of summer - a nostalgic blend of adventure, creativity, and camaraderie. Designed to reignite childlike wonder, this experience brings your team together through playful challenges, hands-on creativity, and outdoor exploration.

Fall (September - November)

Celebrate the season of abundance. Intended to help your team strengthen local connections and embrace the spirit of giving back. Bond over mocktail mixology, collaborate on a shelter build, and immerse in a guided nature tour, blending teamwork, creativity, and community impact.

Adventure

Are you searching for fun and active ways to connect with your team in nature?

Below are activities that speak to your adventurous and competitive side.

each activity is approx. 45 minutes long

Shelter Build

Create a shelter using natural materials that can withstand the elements.

In this timed challenge, teams work collaboratively to build a shelter that will be tested for strength, wind resistance, and waterproofing. This activity may involve lifting and carrying materials.

Fire Challenge

Learn how to build a fire using traditional methods and compete to see who can burn a rope the fastest.

Channel your wilderness survival skills and work together as a team to put your fire building and problem-solving skills to the test in this timed challenge.

Scavenger Hunt

Work in teams to unearth the secrets of the natural world and deep history at Evergreen Brick Works.

Embark on a scavenger hunt to complete challenges, riddles & questions as quickly as possible. This activity is a fun way to build your group's connection, teamwork and communication skills.

**Your event quote will depend on your group size and your selected activities.
Please note that all activities run rain, shine or snow.*

Wellness

Looking to ease stress and restore energy in your team? Engage in uplifting experiences that will leave you feeling refreshed, motivated, and ready to thrive.

each activity is approx. 45 minutes long

Nature Meditation

Nature is always changing. Slow down and immerse yourself in the seasonal shifts with this reflective and meditative activity.

Whether it's by the campfire or soaking up the summer sun, you'll take this time to reconnect with yourself, nature, and your colleagues in Evergreen Brick Works' backyard.

Clay Works

Shape, mold and get your hands dirty with clay and natural materials.

Take a break from work and have fun bonding over a calming, creative pottery session.

Mocktail Mixology

Become an amateur mixologist in this team building experience.

Experiment with local seasonal ingredients that can be foraged or found at our weekly Farmers Market. Create your own mocktail and take away your own recipe cards to recreate your drink again at home for enjoyment.

Nature Wander

Slow down and rediscover Toronto's urban wilderness and ravine systems.

Spend time outdoors on a guided wander led by our seasoned outdoor educators and take time to learn about the ecological and historical significance of the quarry behind Evergreen Brick Works.

Sustainability

Looking for ways to engage with community and nature in the Lower Don Valley?

Discover the power of giving back through stewardship at Evergreen Brick Works.

each activity is approx. 45 minutes long

Pollinator Revival

Get your hands dirty and craft your own seed ball using clay, soil, and native pollinator seeds!

These little bundles of life are a simple, powerful way to bring more greenery into our urban spaces. Toss your seed ball into a designated outdoor spot at Evergreen Brick Works or take it with you to plant in your own backyard or local park - every throw helps native species thrive.

Invasive Species Removal

Roll up your sleeves and help keep Evergreen Brick Works thriving! Join us in hands-on stewardship by removing invasive species, making space for native plants to flourish, and ensure this green space stays healthy and full of life.

Seasonal Activity: Available from April to August only - don't miss your chance to make an impact!

Sun Printing Post Cards

Get hands-on with a beautiful, slow-reacting photographic process!

Arrange flowers and leave onto a UV-sensitive canvas and watch nature leave its mark. As the sun works its magic, your unique print will emerge - like a memory captured in light. We'll mail your finished card to you, giving you the chance to enjoy it once more.

Site Tours of Evergreen Brick Works

The perfect addition to your Team Building day at the Brick Works! Private tours are available to book for groups looking to learn more about Evergreen Brick Works. Each tour is led by a knowledgeable Evergreen Outdoor Educator and is one hour long.

Nature Tour

Witness the incredible transformation of an industrial site into a green oasis. Visit our gardens, learn about our sustainable agricultural practices, journey into the park where nature always has something new to share, and leave inspired by what can be accomplished in a place where nature and community come together. This tour takes place entirely outdoors and covers areas of the industrial site as well as the park beyond.

History Tour

Journey through time to understand how the industrial past meets the present in a celebration of nature, sustainability, and community. From deep-time geological records to mechanical artifacts, this tour tells the complete story of this land, as you learn how Evergreen reclaimed and revitalized the Brick Works into an award-winning environmental community centre and green-technology showcase. This tour will take you across the industrial site and into our historic buildings.
